50 Years Ago. . .

Ames Daily Tribune, March 18, 1961

SNOWBOUND- "Snowbound" became more than a poetic experience to many who on Saturday evening found themselves stranded in gas stations, restaurants, hotels and homes of friends or relatives. A few dared the winter's biggest snow storm and slowly slid toward their destination.

Ray Smalling, physical education instructor, and his family left Ames for Des Moines at 5:30 to attend the finals of the girls state basketball tournament. The weather forced them to turn for home at Ankeny, but visibility conditions made it compulsory for them to stop at Paul & Min's cafe near the Alleman turnoff on highway 69. Don Toms, junior, and his family also found lodging at the cafe along with Mr. and Mrs. Fred Earl and their twin daughters who graduated from Ames High in 1954.

To make the evening worthwhile, the Earl twins, professional dancers just returned from an appearance at the Miami Beach Hotel in Miami Beach Fla., combined their talents with those of amateur dancers Nancy Smalling and Ann Toms in producing a midnight floor show. After that was over, the single evening tenants found rest on the floor, benches or cafe counters. The Smallings arrived home late Sunday morning...

Ames High Athletics 1955 to 1960

The five year period from the fall of 1955 to the summer of 1960 has produced twelve members of the Ames High Athletic Hall of Fame. The twelve Hall of Famers are Larry Spear '56, Chuck Lamson '57, Bob Covey '57, Jack Stevens '57, Bill Stuart '57, Jim Dresser '58, Gary Ellis '58, Ben Fellows '58, Stan Scholl '58, Larry Munson '59, Dave Posegate '59 and Jack Carr '60. State championships in track and undefeated football teams were a benchmark of this period.

1955-56. The state champions in track were led by Larry Spear, a sprinter. They won in the 440 and mile relays at both the state meet and Drake Relays. They also won the 880 relay at state. Bob Covey (440) and Jack Stevens (pole vault) placed first. Larry Spear also was 4th team all state in football while rushing for over 1000 yards. Ken Wells squad posted a 6-2 record. Wally Linn coached the basketball team to 14-7. The second year baseball team, coached by Ray Smalling, lost only to Council Bluffs T.J. in the districts at Denison. They finished 15-1. Fritz Jackson, Bob Ellis and Jim Balloun were senior leaders on the team.

1956-57. 1956 may have been Ken Wells' and Ames High's best team ever. With an 8-0 record and a final #1 ranking by the Register they were led by All-Staters Chuck Lamson, Bill Stuart and Dave Sucher. Fifteen players from this team played football in college. Bill Stuart led the basketball team as a 3rd team All-Stater. Track produced another state championship. Winning four relays at state, they won all but the medley. Jack Stevens won the pole vault at state and shared the Drake title with teammate John Murray. Both were 15 foot vaulters in college. Ames also won three relays at Drake. The baseball team had a 14-1 record and was led by underclassmen Gary Ellis, Jack Smalling and Dave Posegate, who all batted .400 or better.

1957-58. The 1957 football team picked up where the '56 team left off with another 8-0 record. Led by first team All-State linemen Ben Fellows and Larry Munson they finished with a #2 ranking by the Register. The track team, led by Stan Scholl, Jim

Dresser and Alex Lykkegaard won the state title for the third consecutive year. They won the 440 and mile relays at both State and Drake as well as the 880 relay at State. Stan Scholl won the 440 yard dash. Ellis was a second team All State basketball player on a team that finished 14-6. Gary Ellis and Jack Smalling were named to the first ever CIC baseball all-conference team as first teamers. At Iowa State Gary Ellis was a three year starter at punter in football and shortstop in baseball. David Nairn played #1 on Oscar Ourth's tennis team. Jim Merchant and David Browning paced the golfers.

1958-59. The 1959 track team was the only team not to win an outdoor championship, they finished third. However, they were the only team, in this period, to win a State indoor title. They were led by their two mile relay team, winners at Drake, Denny Tice, Blaine Zenor, Lars Laslett and Earl Holtz. Larry Munson, a three year starter and a two time All State linemen, was the backbone of a 5-3-1 football team. Steve Burrell and Gar Smith were the senior leaders of a 11-7 basketball team. Baseball had a fine 15-4 record. Dave Posegate was a 3 year starter and All-CIC. Larry McHone was All-CIC as a catcher.

1959-60. Another state championship in track marked the spring of 1960. Blaine Zenor (mile run) and Jim Piper (long jump) were state champs as well as the Two Mile Relay. The 6-3 football team won the CIC. Led by first team All-Stater Jack Carr the basketball team also won the CIC. Senior pitcher Gary Kirk had a 17-3 record over a two year period. He and Blaine Zenor and Denny Tice were All-CIC as Ames also won the conference title.

The five year period of 1955-1960 produced four outdoor track championships and one indoor as well as two undefeated football teams. 33-8-1 was the five year record of Ken Wells' teams. Ray Smalling's baseball teams posted a 67-16 record with two years of only one loss. Ken Wells, Wally Linn, Hi Covey and Ray Smalling were the only coaches that football, basketball, track and basketball had. Consistency certainly marked this period in Ames High Athletic history.

Ames High Athletics 1960 to 1965

From the Fall of 1960 to the Summer of 1965, Ames High School produced seven state championships and six members of the Ames High School Athletic Hall of Fame. The Hall of Famers are 1961 – Dave Agard, Mike Cox and Gene West; 1962 – Bill Jackson and Jim Klingseis; 1964 – Tom Landsberg. Track won the State Indoor three years in a row, 1961, 1962, 1963. Outdoor Track won three in a row in 1963, 1964 and 1965. Baseball was state champs in 1961.

1960-1961 Football finished with a 7-1 record, the only year in this stretch that was over .500. They were led by one of the best players ever in Ames High history, fullback/linebacker Mike Cox. Mike Cox was first team all-state and went on to star at Iowa State where he was All Big 8. He's the only player to have his jersey number retired at Iowa State in football. But there were other great athletes in the 1961 class. Gene West was also a first team all-stater in basketball. He later starred at Drake. Ames made it to state and lost by 3 to Calumet in the first round. The front line of West, Dave Agard and Dave Childs led the team to a 19-3 record. The track team won the two mile relay at Drake. In the summer the baseball team, coached by Ray Smalling finished with a 19-1 record and beat Fredericksburg 4-2 at Mason City for the state title. Senior Dave Agard had a 13-0 pitching record while junior Paul Townsend was 6-0.

1961-1962 Football season saw a .500 record at 4-4. Paul Townsend garnered the only all-state honor as he was 5th team all-state as a center. The basketball team finished at 11-8, led by senior Jim Klingseis. Wrestling was started at Ames High. They finished 1-2 under Coach Gene Oltrogge. They defeated Colfax for their only win. Track was the highlight of the sports year. Hi Covey's thin clads won the state indoor championship., For the fourth straight year Ames won the two mile relay at the Drake Relays. Baseball had a fine 14-4 record. The entire infield made first team All-CIC. They were Nick Fox, 1B, Bruce Bergland, 2B, Mike Karns, 3B and Jim Klingseis, SS.

1962-1963 Track was again the year's highlight, victorious in both the indoor and outdoor state championships. Individual state champs were Bill Jackson, Mile Run; Lee Sargent, Pole Vault; and Tom Landsberg, Long Jump. Steve Soesbe set a yet unbeaten school record in the Football Throw. The event was discontinued soon after.. Cecil Spatcher replaced Ken Wells as football coach. Football slipped to a 3-5 record. Basketball wasn't any better at 6-14. Baseball was a bit better at 10-8. All Conference First teamers were Pick Wilson, 1B and Don Runyan, OF .

1963-1964 Track was the dominant sport in 1964. Ames High won both the State Indoor and Outdoor Championships. Lee Sargent and Tom Landsberg won individual state championships for two consecutive years, Sargent in pole vault and Landsberg in the Long Jump. At the state outdoor meet, Bob Rowell won the Mile Run while the Mile Medley team and the Two Mile Relay team were first at State. The football team was under .500 again at 3-5-1. Wally Linn' basketball team bounced back with a 15-7 record led by Tom Landsberg.. Junior Brian Anderson was a first team All-CIC selection as an outfielder on a 7-12 baseball team.

1964-1965 Hi Covey's boys picked up a third consecutive outdoor track title at Drake Stadium in the spring of 1965. As in 1964 Ames won both the Mile Medley and Two Mile Relay. In indoor track Bob Smalling won the Pole Vault with a vault of 13 1 3/4. at Iowa Fieldhouse in Iowa City. Football 1964 lost 6 games while winning only 3. New coach George Duvall's basketball team had a good year while winning 15 and losing 7. Baseball had a 14-7 record and shared the CIC crown with Boone. Bob Best, OF, Mike Rasmussen, 2B and Ed Wilson were All-CIC selections. The new wrestling coach was Tom Beckham. Junior heavyweight Ed Huffman led the team with 12 pins.

Dr. James Ingvaldstad

After graduating from Ames High School in 1964, Jim attended Iowa State University where he graduated in 1968. With acceptance from both Columbia

School of Theology and the University of Iowa College of Medicine, he chose the latter from which he graduated in 1972. He did an internship at McKennan Hospital in Sioux Falls, SD and then a residency in OB/GYN at the University of Iowa. He served two years in the United States Air Force before returning to Sioux Falls in 1978 to practice medicine.

During his fifteen years in Sioux Falls, Jim and his wife, Pat, raised three children--Scott, David and Alison--and made many life long friends. The severe winters in South Dakota and Georgia's warmer climate drew Jim to Atlanta to Piedmont Hospital where he has practiced to the present time. Wherever Jim has lived, he has been active in professional, community and church affairs. His leadership has been recognized throughout his career.

Jim's passion for helping and healing led him to Haiti in 2001. He returns two or three times a year, and he was there when the earthquake occurred in 2010. A few days be-

fore the earthquake hit, Jim had arrived on a mission trip on the Haitian Island of Gonave, about 30 miles away from the mainland and capital, Port-au-Prince. He and other members of the trip were in the midst of doing their usual tasks, such as setting up and running medical clinics and teaching dental hygiene to the children. He treated patients at the Wesleyan Hospital, also on the island.

When the earthquake hit on January 12th, Jim decided to stay where he was needed most, despite having several opportunities to return home. Many patients traveled by boat from the capital to the Wesleyan Hospital to have their wounds treated. The hospital's main surgeon and nurse anesthetist left to anxiously search for their families on the mainland, so Jim stepped up to treat, on his own, the many patients who came to the hospital. On January 17th, he and other physicians and nurses traveled to Car-fu-faix, one of the hardest hit areas, and set up a make-shift clinic in a lone remaining school classroom. One of the most difficult situations Jim found himself in was to deliver a baby via Caesarean section under local anesthesia.

Tim Stark, president and CEO of Piedmont Healthcare, states, "Dr. Ingvaldstad is a model physician. His dedication and willingness to stay in Haiti to treat the victims of the earthquake shows his compassion and generosity. Furthermore, he continually gives of his time to ensure the success of Piedmont Hospital.

While he was in high school, Jim was very active in a variety of activities. He played baseball and ran track. He was a member of the Fire Squad, Varsity Club and Boys' Club, a homeroom representative to student council, and was the student body president his senior year. "Ames Hi" continues to "Aim High!"

Ames High Class of 1980 Reunion

Our class held our 30th reunion on June 25 – 27, 2010 in Ames. Spiritwear, designed especially for our class, was sold online through Sigler/Innova of Ames before the reunion.

Friday night began with a casual gathering at DG's bar located above Corner Pocket on Main Street. Saturday morning options included a golf outing at Coldwater Golf Links and a chocolate tour in downtown Ames. The chocolate tour included stops at Temptations, Chocolaterie Stam and Cook's Emporium.

Saturday afternoon offered a chance to eat lunch in the new school cafeteria and tour the high school with Bill Ripp, former AHS vice principal, as our guide. Sandwiches came from Downtown Deli, owned by Claude Dellmann (AHS class of 1980). Several AHS alumni from other classes joined us for the tour. Also on Saturday afternoon, about 30 classmates went to the Prairie Moon Winery, located northeast of Ames, for a free vineyard tour and wine tasting session.

Friday at DG's: Deb Waters Aratani, Karla Van Drie, Brian Stoll, Kim Gibbs, Julie Woodworth Shelton, Kevin Lowary, Leslie Fenimore Miller, Lori Cook Knutson

Vernard "Kerm" Harrington poses in the AHS lobby on Saturday with Bill Ripp, tour guide and former principal at Ames High.

Brad Beeman and Vernard "Kerm" Harrington take a moment to rest on the rail in the lobby of Ames High during the Saturday afternoon tour.

1980 Reunion cont.

Saturday evening was a buffet dinner at Scheman at Iowa State Center. There was plenty of mixing and mingling of old and new friends. A video was shown of "Now and Then" photos that classmates had submitted. Clay Gurganus provided an interactive program to share memories of Ames High. Awards were presented for a variety of categories, including oldest and youngest classmates. Kerm Harrington received a Speedy Gonzalez t-shirt for being the first classmate to register for the reunion and buy a class t-shirt.

Sunday noon offered an opportunity to bring your own picnic lunch to an Inis Grove park shelter to gather informally with friends before heading home.

To get in touch with classmates this year, we sent two postcards and we created a Facebook page. Most classmates reconnected by utilizing

our custom website, which we created using ClassCreator.com. We were impressed with the easy-to-use templates to design the website, reunion registrations and evaluation forms. Our website name is www.ameshigh1980.com. If you would like more information about our website, please contact Kathy Smithson Vannoy (515-233-6545; foodXpert@aol.com) or Linda Litchfield Griffen (lgriffen80@msn.com).

Web Design Award - Linda Litchfield Griffen receives an award for outstanding Web Design from Clay Gurganus at the Saturday Dinner at Scheman.

We Get Letters...

Hello Dear Classmates,
Enclosed are my dues for the next three years for the AHSAA newsletters. I always look forward to the next issue. A few years ago you printed a letter from my great nephew. I contacted him and was glad that he answered me. We have kept in touch for the past few years. Thank you for printing his letter. God's riches blessings to all of you who keep track of all the alumni.

Marie Anfenson Fisher, '44

Gentlemen,
Here is my check for a one-year

membership. You finally shamed me into it. As a matter of fact, Merle J. Arnold, class of '53, also shamed me into it. After all those years on active duty, I finally have time to read for pleasure.

Rodney E. Dodge, '53
Colonel U. S. Army (Ret.)

Class of 1962,
The graduates of 1962 will celebrate their 50th class reunion during the summer of 2012. Volunteers for the planning committee are needed. If you are interested in helping, please contact Bill Rosebrook at 515-222-1992.

Dear AHSAA,
Please correct my "Lost" status. I'm very much alive, I will be 84 this year and I receive the newsletter. I enjoy

yearly cruises, bowling, work with Pearl Harbor Survivors, etc. etc. etc., and I talk to Lois Thomas, '45 frequently. (Editor's note: Sorry about that, Nancy! Thanks for the picture. It is, indeed, living proof!)

Ames Education Foundation (AEF) News

Ames [March 31, 2011] Ames Education Foundation today announced that Ann Arbuckle will join the Foundation as its new Executive Director. Ann brings career accomplishments in project management, technical sales, marketing, and non-profit fundraising. She holds an AA in Computer Science and a BA in

Communications, the latter from the University of Iowa. Ann and her husband Carl live in Ames along with their children who attend Ames Community Schools.

Stephen Ringlee, Ames Foundation Board Chair, noted "We are very pleased that a person of Ann's caliber will join the Foundation as its new leader. The Board has asked her to re-focus our efforts on more significant projects including planned giving and major initia-

tives to support Ames schools in a variety of curricular areas. Her efforts will assume greater importance given the ongoing limitations in State funding for local schools. If Ames is to remain a center of excellence among national K-12 schools, the Foundation will need to increase its fundraising efforts among our school supporters and friends. We have big visions and will partner with Ann and the staff to accomplish them."

Ames Education Foundation is the non-profit fundraising affiliate of Ames Community Schools. The Foundation operates a variety of programs that do everything from purchasing school materials for low-income children to managing permanent endowments for long-term financial support of schools.

For information on how to help the Foundation, contact us at 515- 268-6630.

Men from the Class of 1949

In February of 2011, these six men from the AHS Class of 1949 reunited in the Phoenix, Arizona area. The Paulsons and Campbells are permanent residents. The rest are "snow birds." The group, with their spouses, enjoyed a Maid-Rite party at the Brown's condo, which brought back memories of the Maid-Rite on Main Street in Ames. Larry Kohler (WI), Dick Taylor (CA), Mert Dalton (MN) and Wayne Brown (Ames) challenged each other to a round of golf. Dick took the honors with Larry a close second. Bill LaGrange (Ames), also of the class of '49, and his wife, Laura, came to Arizona a month later.

she will look at the use of photographic reenactment across a group of contemporary Indian artists. Heer received a B.A. in Art History from St. Catherine University in 2004 and a M.A. in Art History from the University of Minnesota in 2008.

Melissa is a 2000 graduate of Ames High School. While in high school she was on the Human Relations Committee, the cross country track team, the Spirit Staff and she sang in the Concert Chorale. She was an All-State Speech winner and participated in a work trip to Appalachia.

Ames High Class of 1936 – 75th Anniversary

Although we know of no plans for a 1936 AHS class reunion, we continue to receive support from their class. Memberships were received this summer from Maxine Anderson, Phyllis Bryan Elliott, Virginia Lynch Musser and Pauline Wheeler Rod. And we definitely don't want to slight Jean Hendrickson Forbes, AHS Class of 1935, who graduated one year earlier. Two other graduates deserve special mention: Uryth J. Dillavou, '33, the Patriarch and Lone Rapp Brooks, '28 the Matriarch of our AHSAA members. Most memberships were for three years. We like their optimism. (Add 17 or 18 to 75 or more, and you see why!) Thanks, Ladies and Gentleman! "Ames Hi, Aims High!"

Maxine Anderson participated three years in Girls' Reserve and the Girls' Athletic Association (GRA), two years in Glee Club and Library Club and one year in volleyball, basketball and the Web Staff.

Jean Hendrickson Forbes, '35 participated three years in Girls' Reserve and Girls' Glee Club, two years in mixed chorus and one year as president of the Girls' Glee Club and as a library assistant.

Phyllis Bryan Elliott participated three years in Girls' Reserve and Art Club, two years as the homeroom secretary and one year on the Web Staff, Quill and Scroll, Spirit Staff and National Honor Society.

Uryth Dillavou, '33, nicknamed "Dilly" by his classmates, participated in Hi-Y three years and was a member of the cabinet for two years. He was in band as a sophomore, played basketball, football and tennis for two years. He was a member of the Varsity Club for three years.

Virginia Lynch Musser had a unique high school experience. She attended Sioux City East High School as a sophomore, Des Moines East High School as a junior and Ames High School as a senior. At AHS she participated in Girls' Reserve, the Girls' Athletic Association and basketball.

Lone Rapp Brooks, '28 is 101, still going strong and has the distinction of being our oldest member. Her recent membership was for three years. Lone participated in Girls' Reserve for three years, dramatics for two years and the Girls' Athletic Association, Student Council and volleyball for one year each.

Pauline Wheeler Rod participated three years in Girls' Reserve and the Girls' Athletic Association, two years in the National Honor Society and as homeroom president and one year in Pep Club, volleyball, basketball, baseball (We are betting she brought some class and dignity to the team!), Student Council, Senior Senate and the Spirit staff.
