New AHSAA Directory?

In 1994, four years after the AHSAA's birth, the first Ames High School Alumni Directory was published. It was very basic with three listings of our graduates: (1) alphabetical, (2) by graduation class and (3) geographical. It was very popular, and we sold out within a few years.

In 2001, we published our second Ames High School Alumni Directory. It had the same graduate listings, but we enhanced it with approximately fifty pages of pictures taken from AHS yearbooks beginning in 1920. We also included a variety of other items including AHS presidential scholars, honorary and distinguished alumni, AHSAA scholarship winners, Homecoming kings and queens and Ames High School Athletic Hall of Fame recipients. Some copies of this still remain and we are liquidating them at a ridiculously low price. (See page 9).

It is our intent to publish a new directory within the next year or two. In preparation for this, we are soliciting pictures from our graduates for publication. The pictures must be: (1) 4" x 6" hard copy of good quality that we need

not return, (2) pictures mainly of alumni and their activities, careers, awards and families, but we will consider others, (3) everyone in the picture must be identified by name and the year of graduation if applicable, (4) the site at which the picture was taken, if significant, and (5) the approximate date (month and year) the picture was taken. We may need to limit the number we can publish, so send yours in early.

The directory will again list graduates by last name at the time of graduation, by class and by geographical location. So, if you think this is a worthwhile venture, send your photos, meeting the above criteria, to the Ames High School Alumni Association, 1921 Ames High Drive, Ames, 50010.

Annual Golf Outing

It is time for the annual AHSAA Golf Outing. This year's outing will be held **Saturday, July 5** at Veenker Memorial Golf Course with a shotgun start and a bestshot format. A registration form and more information are on page 12.

Thank you to **Kerry Ferguson '75** for organizing the golf outing for the past six years. Kerry is retiring as the coordinator so the AHSAA needs a new coordinator for this year's event. Please contact the AHSAA if you are willing to head up this great event.

Membership reminder

A reminder to check your newsletter label on page 12 to see if your AHSAA membership has expired. Memberships expire December 31 of the year indicated on the mailing label. Printed above your name is your graduation number, graduation year and membership year. **All known alumni are receiving this issue however, only current members will receive the next two issues of the newsletter.** A membership form is on page 9 of this newsletter.

Thank you for supporting the AHSAA!

From the Spirits: 1958 - 50 years ago

Although the drum major and majorettes spent much time working on routines, due to the bad weather, the public saw only two performances. The drum major, majorettes, and flag twirlers led the marching band in the flag-raising ceremony and during halftime entertainment at football games. The snappy routines of the majorettes always attracted attention.

Left to right: **Judy Suhr, Patty Catron, Mary Ellen Walsh, Sandy Rouze, Karlyn Peterson, Sandy Smith, Sandy Peterson (drum major), Marilyn Blaess, Sonja Haugen, Malinda Hawkins, Mary Jo Anderson, Jean Suhr.**

As a high school athlete, **Larry McHone '59** ran track. In 1963, when he was no longer competing, he became a track official as a track meet starter and has been doing it ever since. McHone has worked the Iowa high school state cross country meet for 27 consecutive years, is heavily involved in the Drake Relays and will be involved in the 2008 NCAA Track and Field Championships hosted by Drake in June.

McHone was a popcorn seed breeder for the majority of his business career. In addition to working track and field and cross country meets (he officiates as many as 30 meets a year), he also works for the Big 12 conference in the replay booth at Iowa State University home football games and works for the Big 12 as

AHS Alumni in Alaska

Chris Arp '89 and **Richard Beck '78** recently shared a trip to northern Alaska. They put the trip together through a mutual colleague and later, once together, realized that they shared a common background of both being AHS alumni (as well as Central Jr. High and Iowa State University). They took this picture as an AHS promotion.

Richard is a Professor of Geography at University of Cincinnati working

on communication and monitoring infrastructure and Chris is a scientist with U.S. Geological Survey in Anchorage, Alaska working on lakes and climate change. It's a small world!

Please Update Your E-mail Address Online

There are 4500 alumni from 1926-2007 who have entered email addresses into the AHSAA web page at www.ahsalum.org. This is great because your class reunion committees would love to communicate with you via both email and snail mail.

A large number of alumni emails are out-of-date. Please check your email listing before you do anything else today! Here's how: at the foot of every webpage on www.ahsalum.org you will find links to update, add, search or view AHS emails by year. Click year, then select your grad year and click View Year. If you don't see your email listed, please click add, then follow the prompts. If your email is listed but is incorrect, then please click update. On the update page, enter your username and password, click Edit, modify your email address, and click Save.

Hint: If your email listed is still accessible, the "I forgot my password" link will email your password to the listed email address. If that address is not accessible, then click "Contact AHSAA" at head or foot of any webpage and tell us your name, grad year, old email and new email. I will update it for you.

Alumni Still Aiming High

Michael Swan '75 has put together a feature story on former Ames High basketball standout Chuck Harmison '76. The story is available on The Tribune's web site at www.amestrib.com. Harmison is the general manager for a professional basketball team in Australia. Swan said "I thought his basketball journey was very readable material and I always wanted to do more with this story. Chuck's a good guy, and I think it's a story that's good for Ames and for other people to know."

Tamara Kuhn '79 has written a book titled *A Guide to Ames* (208-pages, softcover, \$14.95). The book is a guide to the city with information about where to stay, what to do, information about the restaurants, bars, where to work, churches and organizations and much more!

Allyson Walter '84 has joined the Ames Convention and Visitors Bureau as a manager. She will be responsible for managing the business office and overseeing the visitor and membership services team, including marketing and public relations. Walter was the owner of The Savvy Shopper in the Ames Main Street Cultural District for the past five years.

John Livingston '90 ran the Boston Marathon on Patriots Day, April 21, 2008. He finished 2937 overall with a time of 3 hours 13 minutes 21 seconds. There were 25,283 runners in this year's event. John qualified for the race by running in a marathon at Lincoln, Neb. last May. His classmates always knew he'd be a marathon runner while he was in high school.

Erin Block '93 qualified to run in the 2008 Olympic Trials in the marathon. She ran her first marathon in 1996, then did not run another one until 2001. She ran a marathon in Utah in October 2007 with a time of 2:45.58 qualifying for the trials. Erin works in the Department of Psychiatry at the University of Minnesota doing research in psychotic disorders.

Mark Bokhoven '01 was a member of the Iowa State University rugby team and has earned success at the national and international level. He was selected to the all-Big 12 team twice, named to the all-Iowa team and selected to the United States National Team.

Justin Donnell '01 recently graduated from the Sacramento Police Academy and is now working as a police officer for the Sacramento, California Police Department. Prior to attending the police academy, he served 4 1/2 years in the U.S. Air Force Security Forces and attended Park College in Valdosta, Georgia.

Jennifer O'Brien '03 and **Stephanie Wells-Gray '03** graduated from the Western Culinary Institute in the Le Cordon Bleu's Baking and Patisserie Program and the Culinary Program.

AMES HIGH ALUMNI IN PRINT

In recent days there have been articles in print about Ames High alumni. Iowa State's "Connections" Spring 2008 features **Ellen (Molleston) Walvoord '57**. She and her husband, Tom, have given money to Iowa State, lots of it. And for that she is featured in the current edition of Connections. She has also been generous with the Ames High School Alumni Association. Iowa State University and Ames High School both thank you, Ellen.

This might be a stretch to be included in this, but the July-August 2008 issue of "The Iowan" features an article about the Sylvan Runkel Preserve in the western Iowa Loess Hills. This 250 acre parcel is named for the father of **Ramon Runkel '49**. There is also a book about Sylvan Runkel by Larry Stone in print. Ramon is retired but is still active as a visitation pastor for St. Johns Lutheran Church in Des Moines. Ramon, of German and Scandinavian descent was named after a popular Spanish actor of the late 20s and 30s.

Kristi Burns' '89 family vehicle is a stretch. In an April 28 article in the Des Moines Register she is pictured with her children and a 1985 Lincoln stretch limousine. When she had to replace her normal car last October, she answered a newspaper ad and purchased the limousine. It gets 12-15 miles per gallon and has lots of room for her children and their friends. Prior to this purchase her last limousine ride was to the Ames High prom in 1989.

Oldest Alum and Runner-Up

The question has been asked, who's the oldest living Ames High alum? Without knowing everyone's date of birth, it's difficult to know the answer. So I sent out letters to the 26 oldest alumni for whom we had addresses. Seventeen of them have replied. We now have an educated guess to the question.

We're naming **Florence (Barr) Castonguay '23** our oldest alum. She'll be 104 in October.

Florence is also part of Ames history. She and her husband, Thomas, were listed in the 1956 City Directory as living at 2000 Grand Avenue. As a kid growing up, that home at the northeast corner of 20th and Grand was one of the last homes going north out of town on US 69. I knew it as the Charles Barr home. Charles Barr '26, a brother to Florence, lived to be nearly 88. Their sister, Mary Mildred '23 lived to be 100. She was married to Joe Gerbrach '13 whom old timers will remember operated the theaters in Ames. They lived just across the street at 18th and Grand. So Charley Barr '26 lived to be 88, Mary Mildred '23 100 and Florence '23 is still going at 103+. Just north of 2000 Grand Avenue stands an apartment house that once housed Ames Reliable, a business where both Charley Barr and Thomas Castonguay worked. So much for a little Ames history.

The runner-up for oldest alum is **Edyth (Bunker) Denkhoff '24**. She was born January 16, 1905, three months after Florence (Barr) Castonguay '23. A letter from Ann (McCarthy) Singer '53 told us about Edyth. She and her brother, Dan McCarthy '58, are second cousins to Edyth. Edyth is now 103 and lives in a nursing home. She doesn't hear well and is legally blind, but her mind is clear. Her dues were paid through 1999 at one time when she was 94. Thanks to Ann Singer, we know for sure who is second oldest.

Ames is best, smart

America's Promise Alliance announced that Ames has been named a winner in its 2008 100 Best Communities for Young People competition. The 100 Best recognizes the 100 outstanding communities across America - large and small, rural and urban - that are the best places for young people to live and grow up.

Ames was also ranked sixth by Forbes Magazine when it comes to smartest cities in the United States. Iowa City ranked 10th. The top spot went to Boulder, CO.

Research and Living Abroad

I'm always looking for new methods to find lost Ames High alumni. **Ed Hendrickson '74** has set up our e-mail directory. I decided to give it a try. I've had mixed results. However, some interesting discoveries have been made.

The class of 1952 had their 55th year reunion last fall without **J. Fred Allen '52**. Through e-mails I located Fred in Schmittgen, Germany. He didn't think he was missing.

I tried the e-mail for **Punto E. Sugiri '91**. He replied with the following e-mail:

Good Morning, Mr. Jack Smalling...

Thank you very much for your information, I also have some problems to contact the Ames Alumni... I am so glad that you email me...

I live in Indonesia right now... my address is in Jl. Muarasari II/ No.36, Tegalega, Bandung, Jawa Barat, Indonesia... or you may contact me at anytime to +62 08156259559.

I am waiting for some good information... sometime I am really want to go back to Ames again... however in 1988 to 1991 I have scholarship to finish my high school in Ames. It was really something to me. I am very happy to have good nice friends in that time.

Would you mind if we can chit chat again from email, and maybe for further more we could discuss anything that might result good business or friend.

I am waiting for your reply soon.

Thank you very much... Punto eribowo sugiri.

There was an e-mail address for **Carolina Nunez '03**. It also had a web site for her which I accessed. There is a smiling picture of Carolina there. The heading on her blog goes as follows:

La Vida Mia (Translation: My life)

Born in Palmira, Colombia, Raised in Ames, Iowa... 18 years later I moved my life to Bogota, Colombia...

This is how it goes...Enjoy!

What follows the above is an essay, in Spanish, for her psychology class. I haven't received a reply from Carolina, but hope to.

The e-mail research I did illustrates something that our graduates need to do, update your e-mail addresses. Half of the e-mails I tried were no longer valid. See page 2 in this newsletter on how to update your e-mail address.

We have nearly 5,000 "%" (in care of) addresses in our data base, addresses that are addressed to another family member. We are constantly working to eliminate those. Please send us your current address to help us out.

Finally, are you planning a reunion? Do you need seed money to get started? The Ames Community School District may be able to help you. Most classes have money left over from their graduating class activities that is just sitting there being held by the district. Call Jean Kresse at 515-268-6630. She'll be able to tell you if there is any money for your class. One class received \$2,000 to get started. I know, I saw the check!

Ames Education Foundation (AEF) News

Phantom Olympics – Bring Home The Gold For All

Olympic gold medal winner Cael Sanderson and his wife Kelly invite you to join them for this year's Ames Education Foundation Annual Event – *Phantom Olympics*.

*This competition won't have referees.
It's about funding school supplies you see.
For our kids the real Gold we're after
Is the best education for our students to capture.
But to win this gold, you won't have to run, jump, or swim.
We need your generous gifts for us all to win.
Our coaches **Kelly and Cael Sanderson** are ready to lead,
Helping purchase new school supplies for Ames kids in need.
Going for the Gold requires dedication.
We must join together to help their education.
Let's make the Ames School District the best it can be.
Supporting the team is the way to succeed.
So help our kids Bring home the Gold for all
And equip them with school supplies early next fall.*

The tradition of hosting a non-event annually benefits the Support Our Students (SOS) Fund. Gifts received through the *Phantom Olympics* will help families in need obtain school supplies for children throughout next school year. Please support the team and help us bring home the Gold.

We are asking you to help us raise \$500,000 to make sure all Ames students have the opportunity to become musicians. Not all families can afford to rent or buy instruments. And for our bands to make the quality of music for which they are known throughout Iowa, they need the euphoniums and bass clarinets and timpani that cost thousands of dollars.

The goal of the *Let the Band Play On* campaign is to raise \$500,000. Half of that amount will help purchase band instruments to replace those that are no longer usable. The other half will go to establish an endowment fund through the Ames Education Foundation to provide ongoing support to the band and fine arts programs throughout the Ames Community School District.

The district's band enrollment is nudging close to 850 students (grades 5 through 12). There's no longer money available to buy the instruments needed to keep the Ames school bands vibrant and progressive. The life expectancy of an instrument used in a school music program is between 15 and 20 years. Many of the instruments currently in use in the Ames schools are double that age.

Please help us *Let the Band Play On* for decades to come. Gifts may be sent to the Ames Education Foundation, P.O. 1125, Ames, IA 50014, or made on-line to www.ames.k12.ia.us and click on Foundation. From there click on *how to give* to connect to the on-line giving option.

We Get Letters . . .

AHSAA,

I was thrilled to see my sons featured in your December 2007 issue! They were the coaches for the award-winning AHS mock trial team while they were students at ISU.

Jim has moved to Cedar Falls since graduating but Kevin is still helping to coach AHS mock trial during his first year of law school at Drake. The AHS teams placed first and second at an invitational at Dubuque Wahlert and received numerous outstanding witness and attorney awards. Things look promising for another good year for AHS mock trial.

Ames High School Alumni Association,

I really enjoy reading the AHS newsletter. Because of it I was reunited with a childhood friend I hadn't seen in 50+ years. With fond memories I'm enclosing my check for another 3 years.

Thanks for your continuing good work.

AHS Alumni,

I wanted to reach out and say "Thanks" for the financial support of our synthetic field turf replacement project we have embarked upon from our great Ames High alumni family. As of this writing, we have over \$350,000 in verbal pledges committed to this project. We need to get to \$600,000 to have a chance at this wonderful opportunity to replace the grass in our stadium with a product that will benefit most of our athletic teams, band program, and physical education classes. Field Turf can handle multiple events and most types of weather without any damage. Numerous teams in our conference have Field Turf already and we are next if we can raise the money. 100% of this project is private fund-raising and we have the remainder of 2008 to pull this sorely needed project off for our student-athletes at this wonderful institution. Most football graduating seniors have received a brochure by now but we need the help of all of our former athletes. You can download a brochure at ameshighathletics.org or simply call me and I will mail one out to you.

I am simply amazed at the generosity of our alumni in their participation in other athletic projects at AHS. The response was fantastic for our \$30,000 new trophy case project that displays all of our state championship trophies. Stop by and see the new \$90,000 stadium press-box that we completed two years ago. With your support we can make it happen again. Every little bit helps! We have multiple recognition events and signage planned for all of our donors. Thank You Ames High Alumni for making Ames High a really special place.

To the Editor of the Newsletter,

I am currently in the process of writing a book about Ames High Track. I have been looking for articles, pictures and talking to others that have participated in Track. The book is about half finished and I still need anything I can get from those who wish to contribute. Anything that you might have or if you can put me in contact with others that were on the track teams over the years, would be greatly appreciated. I have been in contact with Bob Covey, Cecil Spatcher and coach John Sletten. Please pass along my contact information to anyone that you may know that could provide me with personal stories and other information. Maybe a note in the newsletter about my project or on the website. Any assistance you can provide would be appreciated.

AHSAA,

Thanks for continuing the good work of the AHSAA. I was reminded of the vital link I have to AHS in January 2007. As Director of Theatre at Emporia State University, I was delighted to learn that one of our productions had been invited to the regional gathering of the Kennedy Center American College Theatre Festival in Ames. When the venue was announced, I was further excited to learn that we would be performing in the Ames Municipal Auditorium—the same theatre that I performed in during my high school days at AHS (1968-1970). Our production was the final performance of the week. It was a wonderfully nostalgic way for me to end a week back "home" in Ames with my students performing on the same stage that I did in high school. Memories of my many good AHS friends, like Steve and Tina Pace, flooded over me. Rehearsals with Ron Zitzelsperger and my classmates were as vivid as when I first lived them. As our students were setting up onstage that January afternoon, I wandered through the auditorium and saw the names of several classmates who had contributed to the auditorium's restoration. Their names appeared on name plates on the seats. Thanks to them and other friends, that wonderful old theatre will be available for another generation.

AHS Alumni,

I learned to appreciate the excellent education we received at Ames High. Thank you for all of your hard work. Reading the letter from Robert Walkup, Mayor, Tucson; if I recall correctly, Bernard Schmidt (about 1942/43) a former neighbor, had an older brother (also an AHS graduate) who was an early resident and an avid, active, promoter of Tucson and Arizona.
